“ Although Granny has left us only in body, her spirit and love as well as all the great memories can never be taken from us all. We will always remember her as a woman who was strong throughout everything that was hard in her life and always came out on top. I hope we all learned a lot with the time we had to share with her. I think I can speak for most of her family when I say there is not a woman in the world that deserves as much respect and love than Granny. we will always miss you and you will always be in our hearts as well as our prayers.

“ You can shed tears that she is gone

Or you can smile because she has lived

You can close your eyes and pray that she will come back

Or you can open your eyes and see all that she has left

Your heart can be empty because you can't see her

Or you can be full of the love that you shared

You can turn your back on tomorrow and live yesterday

Or you can be happy for tomorrow because of yesterday

You can remember her and only that she is gone

Or you can cherish her memory and let it live on

You can cry and close your mind, be empty and turn your back

Or you can do what she would want: smile, open your eyes, love
and go on.
