“ JC, Sue, Kay, and Butch, Prayers to all of you and your families for your sadness in your hearts. She had such a joyful heart and spread that joy to all who knew her. Heaven sure gained one precious soul. This is a sad time to lose a loved one with only limited people able to be there. I know the place would be full to pay respect to her. Please know we have you in our prayers. Much love, Darlene Callaway and Melvin Smith.

“ I treasure a quilt that Lorene quilted for me. She was very talented and such a kind, friendly lady. She and Bug added so much to the Boston community. There is just no way to describe how the loss of people like that couple affects a small community. The family has my condolences.
