

Lori Preuss

January 15, 1963 - June 12, 2021

Lori Jean Bass Preuss, 58, of Rogers; died Saturday, June 12, 2021, at Huntsville. She was born Tuesday, January 15, 1963, at Whidbey Island, Washington; to Gale Gene and Mary Louise Miller Grassman. Lori married George W. Preuss on Tuesday, July 4, 2017; at Rogers, Arkansas; and was mother to four children. She had a magnetic personality unlike any other, and her presence brought people closer together by encouraging them to love one another and respect the differences that make us human. Lori was a painter and poet with an endless zest for life and a heart to match it. Her interests were many and included historical studies, the arts, gardening, travel, and doting on her cat, Albus; who she loved very much. She will be remembered as a sincerely compassionate woman whose mark upon this earth will shine for generations to come, and it is through her children and grandchild that her beautiful spirit will live on. We love you, Mom. If possible, we promise to meet again on the other side.

Lori was preceded in death by her parents, her first husband, Clyde Wayne Bass, and one brother, Eric Nelson. She is survived by her husband, George, of the home; her children, Jed Bass, Justin Bass; Cassie Bass, and Kallie Bass all of northwest Arkansas; and her siblings, Gary Grassman of Berryville, Vicky Cushman of Utah, and Walter Grassman Nelson of Washington State. Lori was also a grandmother to one of the greatest lights of her life, Eric Wayne Bass, of Huntsville. Private interment was held at Lower Campground Cemetery, in Marble. Services were entrusted to Brashears Funeral Home

and Crematory of Huntsville.
