“ *Lorraine Phillips family--so sorry for your loss. I worked with Lorraine for several years at Levi's. She was a great lady with such a wonderful sense of humor. I had occasion to see her a while back, I'm glad I got to connect with her one more time. She will surely be missed. My thoughts and prayers are with you all.*

“ *Kelly Wayne, Donna Kay, Larry, Ronnie Layne and families, I am so sad this morning to read about the loss of your mom. What a beautiful lady and she loved you, her kids sooo much! I am so glad I got to see her on her birthday, even for a minute, but I am so sad I didn't ever make it back. Please know that my thoughts and prayers will be with you all during this really hard time, and know that she is in a much better place than we can even imagine! Always, Judy Karnes*
