“ June and family I am so sorry for your loss. Lorene was a wonderful women and great mentor. I really enjoy all the talks and time I spent with her. She will always be near and dear to my heart. God has gained yet another angel and she is reunited with Claude in heaven. God never promised a life without pain,Laughter without tears or sun without rain.But He did promise strength for the day,Comfort for the tears and the light for the way,And for all who believe In His Heaven above He rewards their faith In His everlasting love. I will miss you Lorene!
