“ My heart goes out to all of you. Lynn was truly a pleasure to know. Always so full of life and he always seemed to truly enjoy life. I always enjoyed hearing his stories not only about his adventures. But also about the fun he had in life. He was such a kind hearted and generous person. He never met a stranger and made friends wherever he went. Often times his attitude would turn some of the world's most angry people into a big bundle of joy and laughter. He was truly an angel on Earth. And will be truly and deeply missed here.
