“ We want everyone to know how thankful we are for all the prayers, cards, kind words spoken, love, food, and hugs we have recieved for our mom,we are truly grateful. Our lives and world have been turned upside down but we will prevail as a strong family because we had such a great inspiration. What a great tribute to my mother to see how many lives she has touched through her years whether it be friends, family, or a neighbor.

“ Lucy used to babysit me when I was little, and made me booties, and little purses. That was 28 years ago. I "met" her when I was 18 and loved her, she was so sweet! My Aunt Jerrie told me how she always asked about me whenever they met around town. She will be missed and I'm sad that I didn't go to see her again before the accident. Her family has my condolences and they are in my thoughts.

“ I was so sad to hear that Lucy has passed away. I used to see her alot at Huntsville before I moved to Mulberry. I had not seen her for years until this past decoration day at Liberty. She was with her husband and a young boy and they were putting out flowers. You could see the love they had for her. They found the graves and showed her where to put the flowers but she was the ones to place them where they went. I know she was a special lady and loved by so many. My thoughts and prayers are with all of you. Betty Emmitt, I know you will miss her. You have had a lot of loss lately and I pray that God will give you peace that passes all understanding. Love and prayers to all the family, Marie
