“ I taught music to Malena for three years at Watson Primary and now have the pleasure of teaching Kayla. Our school is a special place where we share our daily lives with the kids. Malena was a bright spot in my day-always well behaved and smiling. Kayla is as equally precious. I will always remember Malena and Kayla and will keep Kayla in my prayers.

“ *Malena was such a sweet and loving little girl. I had Kayla last year in Kindergarten and witnessed on several occasions the love that only two sisters can share. Malena was very protective of Kayla and Kayla adored her sister. And while I know God has a plan and reason for everything, I am praying for your family that you may find peace in knowing that she is in a better place and comfort in knowing that you will see her again.*

“ Harp Family -

I am so sorry about your loss. Malena was a beautiful and sweet girl. I was her school counselor last year and got to know her well. My daughter was also in her class in second grade and they were friends.

I know that God has a reason for all things and I hope that you will all cling to Him to get you through this.

Please know that you will be in my prayers and the prayers of everyone at Calvary Baptist Church.
