“ Aunt Margaret was special. I have many fond memories from childhood of her. She was always positive and full of smiles. She was an encourager and she loved her family. I was always mesmerized by her wedding chapel growing up and she never got upset when we would wonder off downstairs to play in the wedding chapel. Margaret and Bill gave me my first ride in a fast boat on the lake as a kid. I will never forget it. Today she is will my granny and grandpa Curry and I imagine it was a reunion and a half. Margaret will be missed but I am so glad I have so many great memories of her that will last a lifetime. My thoughts and prayers are to her entire family. We love you all and are so sorry for your earthly loss. But we are guaranteed to see her again, as long as we are ready to meet the Lord.
