“ I am so very sorry for your loss. Margaret was one of the kindest people I have ever met. She always had a ready smile, an encouraging word and an easy way about her. I will always appreciate her kindness and her quickly taking me under her wing. We shared many rides and laughs together and enjoyed listening to country music on our way to work at the E & E Steakhouse, where we worked during the summer with her daughter Marie. What started as a summer job, turned into something so much more and the happy memories and positive influence that both Margaret and Marie made upon me will stay with me forever. May God bless and comfort you as only He can. For "He sets on high those who are lowly, and those who mourn are lifted to safety."
