“Marilyn was my boss but she was so much more than that, she was also my mentor, inspiration, work mom, and friend. There have been many times when I was out of line and she had to reprimand me but she always did it in a way that let me know everyone makes mistakes and I was still loved, just like our Savior does. For He knew me, yet He loved me, when He was on the cross, I was on His mind! She was always there for me offering to help anyway she could through any troubles I was facing, even offering me to stay in her camper during one particular trial in my life. She will be greatly missed by everyone that ever got the chance to meet her! Sending my condolences to all of her family and friends.
