“ *Marilyn was such a good friend. I remember going to her house to get flowers for my shop that I opened in 1985. I asked if she had any aloe vera. She disappeared around the house and came back with a trough for me. I still have aloe from that trough. She started coming to get her hair done not too long after that. We did a lot of traveling while she was getting her hair done. Conversations were always interesting with her. She will be missed greatly. So sorry for your loss.*

“ *Marilyn, you will be missed by all who knew you. You were consistent and always a wonderful lady and sister in the Lord. You have run your race, and finished your course. And a crown is laid up for you. Thank you for your family, and all you have down for each of your children and the church community. You were a guiding light to guide others. Will meet you on Heavens shores.*
