“ *Although it has been many years since I last saw Mark I will remember him always as a very good craftsman who made interesting rings, beautiful neon lighting and was a good man. My condolences to the family on your loss.*

“ *I will miss you man.*

You were the only dude- besides Matt- when it came to pushing limits that I ever respected. we walked on the edge of sanity and never fell off. never fell off.

we lived on the edge for years. Some folks fell off a long time ago- but not Bassett.

I will miss you man.
