“ *Dear "Sis" I can't believe you are gone. We had so many cherished memories that I will treasure forever, like the time we busted that person acting like a trucker, and your accident on the ranch. I love you sis. I see you everywhere I look. Fly high and ride like the wind. You will be missed. I love you. Love always, Cathi*

“ Marsha and I talked almost everyday, she was a special person who helped me through some hard times emotionally, I was there for her as well. We enjoyed laughing together, we were two peas in a pod. When she was going through some issues, I sent out on FB a post, she was like you didn't, I said yes I did, all in good fun. I miss her so much, and miss the conference calls between Marsha, Patsy and me on Saturday mornings, those were funny. She's was unlike no other, her personality said it all. I miss you Sis! and like we always said, Love you Girl. RIP.
