“ I worked with Marsha at LaBarge. She was always outgoing and full of life. Everyone she came in contact with she touched their lives in one way or another.

Brandi, your mom was so proud of you and her grandson. She was always talking about you all and when she got a new picture she was showing everyone.

I recently lost my mom and I know how hard it is but you just hold all the memories you have of her and remember she will always be with you.

My prayers are with you and your family. God bless you all.

“ I am so sorry for your loss. I have known Marsha since I was very little. She is several years older than me but she always tried to include me in things the other kids were doing when my dad and James were together. I looked up to her as a mentor. She will really be missed. Always keep her in your heart Brandi.

“ *I'm so sorry to hear of Marsha's passing, it broke my heart. I just kept thinking of that little girl crying and begging me to take her to see her momma when Doris died, I will never forget the feeling of helplessness. So when I heard she was gone I couldn't help but think of Doris and the fact that Marsha will as last get to see her momma again. Brandi hold on to the memories and thank God for the time you had with her and for all she gave you. God Bless you all in this time of sorrow.*
