“ *My very first holiday spent with the family was Christmas Dinner at Lorene's house the year Glenn and we're married, Lorene, David, Danny and other family members were so warm, and inviting, I felt welcome and at home. There were many other visits over the years, and Lorene always made me feel welcome and part of the family, I have thought about her often since she moved away, and asked Danny how she was doing every chance I got. Lorene was very sweet to me, and will truly be missed.*
