“ I am so sorry about Jodie's passing. She was my helper in the school library at Kingston her Senior year and I always had a soft spot in my heart for her after that. She was such a sweet person and a wonderful helper. The last time I saw her was when her children were small and she had come to the Vacation Bible School program at our church after the kids had gone to Bible School all week. I had not seen her since moving away. My thoughts and prayers are with all of you during this time and the days ahead. May God comfort your hearts as only He can.
