“ I just now found out about the passing of my dear friend Martie. We knew each other during our college years and spent many hours cruising in her 240z. She was always ready to have fun. Rest in peace my friend.

“ While Martie was working at HMS, she and I shared cafeteria duty. She could always be counted on to show up for duty with a smile for everyone on her face. She was a sweet, kind individual. The family has my sincere condolences.

“ I will never forget our lunch on the Saturday before her passing. We had a great visit and she seemed so contented and happy. I believe God prompted me to take a picture that I will always treasure. Martie sought God with her whole heart and we shared many special times. I will miss you, sweet friend. I will see you again. ❤️
