“ To Martha's family,

So sorry to hear the news of Martha's passing. I've known her since I was a little girl. I remember we went on a girl scout camp out and I was afraid but Martha was there with that smiling face. She always had the sweetest smile no matter where I saw her. May God put his loving arms around you at this time. God bless You All!

“ To the Williams Family:

My family and I would like to express our deepest sympathy over the loss of Martha. May you find comfort in your loving memories and in recalling her many accomplishments. When we read Genesis 1:28 and 31, we find that sickness and death were not a part of God's original purpose. With this in mind, it is reassuring to know that our Creator plans to restore his original purpose and make it possible for all mankind (including loved ones we have lost in death) to live forever under perfect conditions. (Revelation 21:3-5; John 5:28, 29) It is our hope that these words bring you a measure of comfort during this difficult time. Once again, please accept our condolences as you deal with the loss of Martha and contemplate the hope of seeing her again.

“ My fondest memories are as an elementary student and you a high school student; you were always watching over me on the bus - making sure I was always taken care of. You were my idol and left such a good impression on me as a young girl. Even though the years passed and I grew up, you still have a warm place in my heart and you will be greatly missed by many. Rest in peace.
