“ Dear Family,  
Losing a loved one can be devastating. Which is why I wanted to express my deepest sympathy and concern for you and also share with you that death isn't the end? We know this because when Jesus was on earth, he demonstrated it when he resurrected some, which include his friend, Lazarus, who was already buried for four days. Aside from simply given us a preview of what he'll soon do for the dead when he rules the entire earth as king of God's Heavenly Kingdom, Jesus also promised in John 5: 28 that all who have died will one day hear his voice from their grave and they will come out. So please be comforted in knowing that one day, you can be reunited with your resurrected loved ones here on earth, which under Christ's rule will become a paradise where all the problems we face today will be eliminated as stated in the following Scriptures. ... (Ps 37: 9-11 and 29), (Psalms 46: 8 and 9), (Isaiah 33:24), (Job: 33:25), (Revelation 21:3, 4). To learn how you can be counted among those who will inherit and live forever on this upcoming paradise earth , please contact the local Congregation of Jehovah's Witnesses for a FREE Bible study.(John 17:3);(John 5:39), which is vital for our salvation because Jesus himself said: the knowledge one will acquire through that Bible study means" Everlasting life"  
May you be comforted by the cited Scriptures in this time of sorrow!
