“ *Dear French family, I would like to express my condolence and deep regrets for your loss and share what helped me at such a time when this enemy death took my entire family. I found great comfort and hope in what I read in Jehovah Gods word the Bible at John5:28,29 where we're told we'll see our love ones again in the resurrection when Jesus brings them back here on earth. Also at ICorinthians15:26 we're told this enemy death will be brought to nothing. I found further help at [jw.org\(search:comfort\)](http://jw.org(search:comfort)) and with all this help I'm able to cope and get through each day knowing I'll see them again. I wanted to share this with you because it's at such times as this that hope and comfort is needed and this is my purpose and I do hope this did help in some way and that you'll feel free to let me know at gloriamosley@hotmail.com and please know I do share your grief and hope to hear from you. Sincerely, GM*
