“ I have never met you, but my grandson is on the basketball team so we have watched the boys play quite a lot. From what I have heard he was a wonderful young man. I just wanted you to know we have been praying for your family. In fact you are still on our prayer list at Calvary Baptist Church. May Got get glory in some small way through this tragedy and may he comfort and keep you n His loving care.

“ I cannot even begin to feel your pain. You are in our thoughts and prayers. My daughter, Ashton Couch is one of the managers for the basketball team. Some of her many memories of Micah will be his chemistry grades compared to hers, the bus rides to games and being in homeroom together. Micah will never be forgotten. Love to you both. “ I am sorry for your loss. I had Micah in Civics class when he was in 9th grade. He was a joy to have in class. Since that time he has always gone out of his way to say hi everytime we see each other around school. He will be missed at the high school. You raised a fine young man.

Sincerely,

“ There are no words to express how Micah has affected so many students at Huntsville High School. I am a school nurse here and want you to know that no matter what the conversation is with the kids it always comes back to Micah and how they considered him a friend to anyone. My daughter Kylie cheered for him in basketball and was having a bad day recently and as she got out of the car to get onto the bus for an away game someone hugged her from behind and said everything will be alright, I asked later that night who it was and she told me it was Micah Lee and that he was always trying to make her laugh, because he loved to make friends laugh. Our thoughts and prayers are with your family.

Sincerely

“ *You have been in the thoughts and prayers of my family for the past week. My sons, Clint and Cody Stevens, played basketball with Micah and considered him a great friend. There have been so many times this week I have listened to them talk about Micah and I have wished you could be at my house hearing the wonderful things they have said about him. You will never know how he has touched their lives and how the things he said....did....and represented will never be forgotten by them. He was truly a special young man and I want to say thank you for raising such a wonderful person. I am praying that God gives you the strength you need to get through this difficult time.*
