“ I was Mikes hairstylist. I just found out about him, and I'm very sad about it. He was one of my favorite people I have ever had the chance to cut hair for! We have had many talks and I sure will miss seeing him behind the chair. Thinking of you and family.

“ I have known Mike since our little league days on our Red Sox team. I also played high school football with Mike for 2 years as a Mountie. Mike suffered a knee injury his senior year, and is the only player to my knowledge that received another 'redshirt year' in high school so he got to play another year! Lol. He was my hero growing up as the ideal 'big brother'. He was always someone that everyone gravitated to and looked up to.
