“ My thoughts and prayers are with the family. Michelle was like my own daughter because I knew her for 21 yrs and went to church with her and her kids, loved her mom and dad and sister and brother. It hurts so much to know shes gone but I am striving to see her again one day. I am so glad that I told her I loved her and hugged her just days before she went to the hospital. She was a wonderful lady.

“ I have so many memories of Michelle. I spent alot of time with her and Melissa growing up. Sundays at church, going home with them afterwards, church camp, school, and many sleepovers. I'll never forget the last time I saw her. It was about 17 years ago at the elementary school in Huntsville. We hadn't seen each other since 10th grade. She hugged me tight with tears in her eyes happy to see me and I was her as well. I'll cherish that last hug and all the memories for the rest of my life. I love you Michelle and I will see you again in heaven.
