“ Dear Collins family, I'd like to express my condolence and deep regrets for your loss and share where I found hope and comfort at such a time as this when I lost my entire family to our enemy death. I found this in what I read in Jehovah Gods word the Bible at John5:28,29 for there it tells us that we'll see our love ones again in the resurrection when Jesus brings them back here on earth and Isaiah25:8 tells us that this enemy death will be swallowed up forever. These scriptures along with others help me cope with my loss and get through each day because now I know I'll see my love ones again and so can you. I wanted to share this with you now when comfort and hope is needed hoping that this will help you also in some way for this is my purpose in sharing this with you at this time and please know that I do share your grief and please feel free to let me know if this helped. I hope to hear from you. Sincerely, GM
