“ *My heartfelt sympathies come your way. I was searching for the Kozy Korner Kafe in Huntsville and came upon this link. The Kafe was our most favorite place to come to once a week when we lived in Hazel Valley. We moved away in 1974 but never forgot the Kafe. My family and I are planning a nostalgic trip to the Ozarks and we didn't want to miss eating at our favorite place ever. Does it still exist? I sure hope so. My best, Juliette Brown*
