“ *Our family has lost a treasure of a woman for sure. As a young girl, I fondly remember family reunions filled with love, laughter, old stories, and hymns of praise around the piano. As I grew older, I came to appreciate her great talent for writing poetry. So thankful that families are forever. Praying for comfort to you all who were closest to her, that you will be blessed abundantly in knowing that she left such a legacy of love.*

“ My sincere condolences to the family. May you find strength and comfort through your loving family and friends and through beautiful memories. Please know that God is near to those who are broken at heart. ( Revelation 21:3-5; Psalms 37:11,29) I hope these scriptures bring you some comfort during this difficult time.

“ I have lots of happy memories of your mom and dad at First Free Will in Fayetteville. I have lost both my parents and know how hard it is on you. Not everyone has loving Christian parents which we had the good fortune. May God keep his hands over your family, and will say prayers over you. All my love to you

“ I am so sorry for your loss! Norma was such a beautiful lady, inside and out. I loved her and Harrel so much! They helped me many many times, and I am sure they did for hundreds of others through the years. I'm sure the angels in Heaven welcomed them both with open arms. Praying for all of you to find peace.
