“ *Remembrance is a golden chain  
Death tries to break, but all in vain.  
To have, to love, and then to part  
Is the greatest sorrow of one's heart.  
The years may wipe out many things  
But some they wipe out never.  
Like memories of those happy times  
When we were all together.*

“ My deepest sympathies to you all. Uncle Norval will be missed by many people I am sure. I myself will always remember the time that he and Loren and I all went coon hunting at Grandpa and Grandma McChristians farm. It was one of my fondest memories. I wish I could have gotten to do more hunting with him.
