“ My heart has been hurting since I heard of your passing!! I could not believe it, thinking I had read it wrong..But then I was overcome with tears! You still had so much left on this earth to do. All those times we almost ran into one another..Couple times at the same concert & we missed seeing eachother at a Cards game by two days!! We promised to see one another again;(Usually I can find peace & comfort by paying my respects..But your too far away;(This breaks my heart!!I'm glad your not in pain anymore & your with your dad again but that doesn't change the fact that I will forever miss you!!Till we meet again my friend<3

“ *I guess this is for real. You were an incredible friend, and loved by SO MANY PEOPLE! I could always rely on you for an honest opinion, and a great debate. Intelligent conversation is rare in this world, and would always look forward to our time together. I always enjoyed receiving hilarious pics & text during the early hours of morning. I'm going to miss laughing with you until on the verge of tears. You are the prime example of unconditional love and friendship.*
