“ I am so sorry to hear of Gail's passing. I did not know her very well as an adult, so most of my memories of her are as a funny young slim girl, with dark eyes and hair, who loved to talk and laugh. She will be missed. rhonda rhodes bevis

“ Dear Mom  
I wanted to tell you that you are the greatest mom in the world. I understand that your body was to sick to live but I just can't seem to understand that I won't see you anymore. It sure hurts alot to know that you are gone. I know you are in heaven and you are no longer in pain. Please send down your love to surround the kids as they miss you so much. Austin asked me last night why you had to go now. He is having a hard time and needs to know that you are still with him. I almost didn't think I was going to make it through this. I think of what Aunt Brenda said to me and that was that you wouldn't have left us if we weren't strong enough to handle this and me, Brent and Pam have alot of you in us. I know you are watching from heaven just please give us all some peace in our hearts so we can heal. I love you with all my heart. Remember always that the kids love you "All my Heart". Love your Daughter Elaine

“ I will always remember her smile and laughter. She was a great person, friend, and helper to anyone she come in contact with. Although I have not seen her for years, I know she was still that person. Her heart was pure inside and it showed. She will be missed. Please accept my condolences and God Bless.

“ What can I say that would express in words what Gail was to me? "Lifetime Friend" She babysit me for my Mama when I was a baby. Once she almost droped me off the LaBelle bridge, Then she changed her mind. She was like a sister, She was an advisor, She was the best at offbeat humor, She told the truth even if it hurt, She was an example of how to enjoy life even in hurt and pain. She was the pick of litter in my book, Nobody could hold a candel to Gail. Gail could find humor in almost anything, She said what was on her mind, She was full of LOVE, She Talked about her Grandchildren all the time, She never came out and said they were Perfect but you know She thought it, "The sign" of a good Grandma. Now she is in Heaven Filling Mama in on all the crazy stuff thats been going on since she left. That will be some conversation. So long my Friend you will be missed, No can ever fill the void you leave down here. We love you forver, Thurston, Mary, Rye, Ryely.

“ It's been almost 39 years since I last saw Gail but she has always held a warm place in my heart and memories. My cousin, Billy, and I loved spending the summers in Ortona with the Summerall family. Gail meant a lot to both of us. We use to think it was so funny that she was Pamela Gail and I was Pamela G. and more so because she was called Gail and I was called Pam. I pray God will grant your families peace and grace during this time and the knowledge of knowing we'll all be together again one day.

“ May you find that Peace that only comes from God. Words will never explain what losing a child feels like. She was a great friend to me, helped me many times with my children. Although its been a long time seeing her since she moved to Arkansas. I know she is in a better place but that does not help fill the void in your hearts. Love to all and hold on tightly to those Memories never let them go. All we have is Our Faith that God Knows Best. I know it will be a hard road for a long time. But keep holding on, He Knows Best, So Gail Rest in Jesus till we meet on the other side and Give My Son and Mother a hug for me, Martha
