“ *Dearest sissy Pam. I lost touch with you so many years ago, but I still remember your feisty spirit, passion for living and wonderful love for your family. You taught me how to put on makeup, and dress as a teen instead of an old lady, you showed me that dreams can be, and are attainable. Will always love ya sissy. You will be greatly missed. RIP lil sis.*

“ *My Precious Family, No words can express my sorrow. My love goes out to each one of you. I know in my heart that I will see her again. Until I do, I will hold her precious memories dear. The songs we sung, the flowers we planted, the stories we told, the dreams we shared, but her hugs were the best & I will miss them most of all. May God bless each of you with sweet dreams and memories of her and lift you in his amazing grace. All my love, Missie*
