Tribute Wall

“ *Andrea, your mom was an icon in Huntsville and will be missed by many. I recall how she went routinely to the assisted living facility to do hair for its residents. She had a service heart that positively impacted the community in ways both known and unknown. May fond memories of love and laughter uplift you and the Lord comfort you during this difficult time. She will be with you always. Sympathy, prayers, and love.* ”

Andrea, I am so sorry for your loss. She was a wonderful person in so many ways. I remember our conversations, the confidences she shared with me, and our trying to figure out why our grandmothers did not have middle names while all of their older sisters did. From as early as I can remember, she was in my life. She was always doing something for others. I cherished our Friday afternoon visits with Lila Ruth. Barbara Bennett
