“ Because I cannot attend services, I want to be sure that you kids know that I thought the world of your mom as I do each of you. She raised good kids who, in turn, raised good kids. I love each and every one of you and will keep you in my thoughts in these coming days.

“ I am very sorry for your loss. In the 1950s, when I was growing up in Hindsville, she was my inspiration. She was very active in 4-H and her name was always in the paper because she had participated in something or won an award with 4-H.
