“ I'm blessed to have known Paul and his family. Always so patient with us "neighborhood" kids that ended up at their house.

My fondest memory that I have of Paul and Charlene is the get together that they put together for the "neighborhood kids and friends, is the cookout, hay ride all the way to Withrow Springs and the baseball game we played while there. It was good, clean wholesome fun for a lot of kids that didn't usually get to do all that fun stuff.

I will never forget their kindness and generosity. Love this family.
