*Paul has always been near and dear to mine and Rick's hearts. As Paul made his way around the mountain he always made a point to stop, he would get Rick out to those horseshoe pits just about any time of year! I love him dearly and I know he loved us because he always made a point to give me the biggest hugs. Our hearts and prayers go out to each of his family members and his friends as we say goodbye one last. Rick and Darcy Smith time*

“ *Paul's smile will be missed. Also I will miss seeing him working across the road at Patti's mowing or whatever she had for him to do. He always worked as though someone was watching him even though he was by himself. Always took time to visit a few minutes if I came to do something for Patti. One of the friendliest people I have ever known. Prayers for the family and friends*
