“ I'm so glad I was able to have one last conversation with you to tell you what an amazing strong woman you have always been. And how blessed I was to have you as a grandma. I will miss our talks and how anytime I felt my life was falling apart you would pray with me and tell me its God's hands. I am grateful you showed me how God can change my life. Without you I may have never known this. Love you so much! You will be greatly missed! And I will keep that promise 🙏💜🌸
