“ I have so many wonderful memories of the Bennett's and the Sloan's, especially in the 70s when we first moved to Wesley. The parents would play cards while the kids watched TV and listened to music. Pauline was a wonderful cook and always had these amazing yeast rolls that she'd make for dinner and we would all just be hoping and praying that when we got there there would be some leftover for us to eat! Bob and Pauline always made us feel welcome.

My dear friend, Loy Dean, left this world way too early. And I know now he is reunited with his mama that he loved so very much.

My love to you all. I know how much she will be missed.

“ Pauline was a dear friend and neighbor to our family when I was growing up. My sister Jane was very close with her. She was a great Mom to my good friends Jo Lynn and Wanda and spent many hours taking care of me as well. Her beauty and grace will be remembered with fondness.
