“ Dear Lou, I was so shocked to hear of Penny's death. Just a few days ago I was trying to find her on classmates. Had I known she was so close I would have called her. I remember her being so friendly to me when I first came to school in Berryville. We both seemed to hit it off from there. We had alot of great times and Phil was always there also. My prayers are with you and the family. Penny always told me I was going to turn to a Cherry Mash. Thanks for supplying them to me when I was pregnant. Penny was such a special friend to me and although I hadn't seen her in years the memories will always be with me.

“ I am so sorry to learn of Penny's death. Linda, my heart aches for you and Lou and Penny's other family members.

Dee often spoke of her colorful and pretty cousin Penny. Though I didn't know Penny, it feels like losing a part of Dee again so I know you are all in great pain.

I will keep you all in my prayers and hope to hear from you soon. MJ

“ Linda, Lou, and family --
I am so sorry to hear about Penny. I have so many fond memories of your family (Joe, Lou, Linda, Penny, & Phil) and all of the fun times we had together. Penny, Linda, and I had many good times together in Wichita and Arkansas. I will always miss those fun times. Please know that you all are in my thoughts and prayers.

“ Dear Lou and Linda,
I was so full filled when I met
you and my Arkansas Vaughn family that I had never known about
before then.

Joe Vaughn had told me about you, I
never had any idea of any long lost family in Arkansas.

I am deeply saddend by the news of
your losing Penny. I really enjoyed meeting and visiting with her and
her little dogs at the reunions at Cloe's.

My thoughts and prayers are with you and your familes during this
painful time.

God Bless you all

Your Cousin

“*Lou, one never knows how others touch our lives. I still remember living in north Wichita and I remember visiting and playing with Linda, Penny, and Phil. In fact, I remember the four of us having a picnic at the only picnic table in north Wichita. It set under a single tree, very near a railroad spur to an industrial plant. You made the lunch and we played in this area all day. I remember having the best time. It didn't take much to entertain us. I don't know why I remember that (especially since I can't remember what I did last week). I know there has to be a special reason that has remained in my memory. This may seem silly, but I think Phil had a mayonnaise sandwich because he didn't like any other kind. Mine was much better. Anyway, your family made quite an impression on me in my youth and I will always remember those simple, good times. My prayers will be with you.*
