“ *My sincere condolences, my prayers are with each and every member of his family and his friends.*

I have so many fond memories of Phillip that will be cherished. He loved life and always had a smile of welcome for friends when you met.

When I was in 6th grade and Phillip was in 5th we became acquainted and over the next six to seven years developed a great friendship.

Although time and distance separated me from sharing any time with him since 1997 one thing has remained through out each year I never forgot his birthday it was 2 days before mine.
