Linda and family, I have so many memories of that special time we shared going to gospel concerts. I will never forget our trip to hear David Wilkerson preach at the U of A. Phyllis drove us so many places and I remember all the fun we had. She has made it to Heaven now, and we will see her again. God bless you all

*Linda and family, I was so sorry to learn about Phyllis' passing, but excited for her at the same time. Her sweet spirit is with Jesus where she longed to be. Oh, how she loved her family though! When we were younger and working together when the kids were little, David Lynn and Lyndsey were her main subjects of conversation! She absolutely adored them. And Linda, she always thought you were the best sister God ever invented. I know your heart must be hurting and you will miss her terribly, no doubt. But she's completely well and happier now than she's ever been, probably talking up a storm and telling your mom and dad all about it. What a precious friend she was to all of us! Much love to you and your family. May the Lord comfort you and give you the sweetest of memories to cherish. Diann Counts Davis*
