“ Many memories.... so sorry for your loss. One memory that stands out .....Ray polished my throwing axe for me right before a lumberjack contest at the fair grounds. It was very rusty and I asked him if he could polish it a little bit and maybe get some of the rust off. He just grinned and told me he could.... he polished it alright! It was so shiny and slick it wouldn't stick in the wood at the contest It would hit the bullseye bury up on squirt right back out! Also I'll never forget how my sister was in shock when she first saw the car he painted for her.
