“ I wanted to be at the service today but have been battling a cold and didn't want to give it to anyone else. Richard was a good man and gave so much to this community. I enjoyed visiting with Richard at the courthouse or wherever we happened to meet. He will be missed by so many. My thoughts and prayers are with you all.

“ Richard was such a genuine and wonderful friend and neighbor to our family when we moved into the Huntsville community. We had three children during our time there and we became close friends to Mari, Richard, and Matt. We are sending prayers to the whole family during this time. We look forward to hearing his voice and hugging his neck when we are reunited in our Heavenly home. Mari and Matt, we love you guys.

“ Richard was so good to me at work. The day I started he was the first person that made sure I knew where I was going. He cared about his customers and made the tough calls to do what was right for them. Sometimes, that was saying no. He always did the small things that mattered (even if he didn't want acknowledged for it) He taught me so much in my three years working with him. You all are in my prayers in the time ahead.
