“ I just wanted you to know what a special person Rita was to me. I will miss her smile and her contagious laughter and will cherish the time that I was able to spend with her. She was such a caring person and I know she has touched so many lives! May you be comforted in your knowledge of the Gospel and in knowing that families are forever.

“ Rita was such a special person. I am so glad that she chose me to be her friend. She was always thinking of others. I am glad that she got her life in order and was able to go through the temple and I am proud that she chose me as an escort when she went through for the first time. I wasn't able to see her as often as I would like; but I hope that she knew that she was loved and that I in particular loved her very much. I consider her a dear friend and I can't wait to see her again on the other side of the veil. She will be greatly missed.
