“ *Little brother, I miss you so much. You were a wonderful son, brother, dad and uncle. You always showed your love and concern for your family even when you were facing very hard, emotional times. I will miss all of our long conversations and your sense of humor. What I would give for just one more conversation with you. Our hearts are breaking, but we know you will be right there waiting for us when God calls us home. You are deeply loved. Our love goes out to Bryan. You know we will be there for him. Don't make the angels laugh too much! Love your sister, Linda*
