“ There aren’t enough words to describe how our family feels about the Baker family. Simply put, they have become family. Brett and Richard met in college and were immediately like brothers. We shared so many happy times together just hanging out, cooking, and eating. Even though it was painful for him to travel Ronald was still there “holding court”. He kept us all entertained with his stories and musings. Brett started hunting when he was young, but Ronald was still able to teach him. I think Ronald and Liz got nearly as excited as Brett when he would get a deer. I know that Ronald is whole once again. He’s healed and I’m hoping he got to meet Jimmy Buffet in his welcome to Heaven class. I’ll bet he could teach Jimmy something about driving a back road and maybe Jimmy will take him for a boat ride. Liz, we love you and we are here. Richard, Laura and Kyle we love you and I’m sending lots of hugs with Brett!
