“ Ron, you were an inspiration to all who knew you, loved you, and called you their "friend". Through thick and thin you were always there shining a bright light of hope into a bad day or week for me, and I'll never forget you were always the first or second to wish me happy bday, or merry Christmas. I hope you and dad are up in heaven together talking and having a good ol time. I sure know he's missed you, and I will miss you too my friend. God had plans for you and you just didn't know it. I love you buddy, see you on the other side.

“ I worked with Ron at Fedx for almost 32 yrs. We had many conversations though the years early on i broke some ribs the truck i used had no power steering Rons truck did and he would'nt have any other way except i drive his and he drove mine, thats i will never forget. A few years later he came to me and told me he was sick and had several thousand \$ of test doctor told him he could'nt find anything medically wrong and , ron said he told doctor he knew what was wrong. Ron then turned to the LORD and found peace in " JESUS" and his sickness disapeared "GREAT DAY", RON WILL BE GREATELY MISSED BY ALL WHO REALLY KNEW HIM!!! GREAT sympathy to his family.
