“ To all the family who I know she was so proud of and loved so much. She spoke of her family every time I saw her and always wanted to here about your family. The times we worked together she and I had laughter and good times even when we were working. She found her true work in nursing, she cared about the people she took care of, especially the elderly. Our family loved her and was so sorry to hear of your loss. Our thoughts and prayers are with all your family.

Sincerely,

Bill and Jonodta Mcmillan
