“ *Brenda, I'm so sorry for your loss. Sister Rosie was a pretty good christian lady. I always like to see her at church every time that she was there and when I was there @ Aurora. Praying for you. I'm planning on attending the grave-site tomorrow afternoon Lord Willing. I know that this will take a long time. Hope to see ya at church again very soon. Cody*

“ I am so sorry for your loss. I know it will be really stressful for awhile. Brenda, I know you are about worn out. If there is anything I can do to help you I will be more than happy to do it. Rosie was a special person, a good Christian lady. She will be much missed! I wish she had been awake when I went to see her Tuesday. But I felt the peace she had during sleep was more important. Love you very much and will keep you all in my prayers. May God be with you.

“ My sincere sympathy with prayers that the Lord will comfort you all and give you strength through the coming days. I was privileged to only know Rosie for a short time but loved her and will miss her. She knew Jesus' grace and we need to rest in the fact that she is whole, healthy and happy. We will get to see her again one day. God Bless and keep you.
