“ I happened upon this notice and my heart goes out to the family of Roy Deaton. Though I do not know the family I wanted to convey my sympathy and share with you the thought from the bible that I look to at times such as these. Our heavenly father Jehovah is a God of love and he hates to see us in pain. This is supported at Revelation 21:3,4, where it says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore". I personally cannot wait for this time to come. Also we await the fulfillment of John 5:28 where it promises that all those in the memorial tombs will come out. What a time of celebration when we will be crying tears of joy instead of sorrow. I hope that you find these scriptures comforting as I have. I again am sorry for your loss. With sympathy, Jo Edwards

“ Penny, Leona, and Dorthy, even though we didn't get to see Mike as much as we would have liked to in the past, Bill and I loved him. We have so many good memories with him. From when I was a teenager and thinking of him as my best friend's little brother, to him becoming a freind of mine and Bill's. Bill and Mike would get together and go fishing or just hang out in the orchard we lived in. He would stop by our house all the time. He went with Bill, me, and my brother Richard to a Steve Miller concert in Seattle, my first concert! Bill kept in touch by phone now and then after Mike moved and through you we kept tabs on him. I know he has many many friends and family now who will miss him so much. Please know that Bill and I are praying for all of you and we will not be there in person but our hearts will be there. We are so sorry for your loss of a brother and a son. We love you all, God Bless you all,  
Bill and Gerri
