“ *Ms Ruby's Family... I am so sorry to see that Ms Ruby has passed. I was her pen pal from County Magazine and the one that sent her the picture of "You Been Farming Long" that she loved so much. I'll miss her letters that I know were difficult to write but she wrote any way. God bless!*

“ *Have known Ruby for many years, and she remembers me from living in Fayetteville many years ago coming into a restaurant with family and children where she was as a cook. My husband and I have went to Fayetteville and visited Ruby. Ruby was a wonderful person and friend and enjoyed visiting with her by mail, when coming through the area and by phone. We will miss her very much. She was an ageless person, and even though she was 94 it felt like she should go on forever. She still wrote me letters, and I had written one and sent a Halloween card. The world was a better place with Ruby in it, but know that she is in Heaven because she was a Christian believing in God therefore life eternal. Loved her very much, she was a special friend and will miss her. Thankful for the memories we have of her, her cats, dogs and her beautiful flowers she grew. She loved to bake and cook and was always making something in her kitchen. Ruby loved her family and thanks to a member taking the time at this time of mourning to write to me and let us know. We truly appreciate it. Judy and John Sandness*

“ Jerry, so sorry to hear of your Mom's Passing, but know she was ready to meet Jesus and her loved ones who went before her including my Grandmother, Earle May (Holland) Miller. I was the one who called you last Friday to find out where she was so I could see her one last time. I was in town from Oklahoma and had been exchanging letters with Ruby since my Grandmother's passing 4 years ago nearly to the day of your Mom's. They were first cousins and had stayed very close over the years even though they lived far apart. I had taken my Grandma to visit your Mom several times over the years. My Great-Grandparents are also buried at Alabam, HK and Eunice Holland. I know your Mom is in a better place and happy to free of her earthly ills. May she rest in peace and love.
